The image features a dark, textured background on the left side, showing a vertical stack of decorative wood mouldings. These include a wide, flat top piece, a piece with a square grid pattern, and a piece with a circular, scroll-like design. On the right side, a large, semi-transparent circular area contains a detailed technical drawing of a classical building facade. The drawing shows a portico with several columns and a pediment, with various lines and dimensions indicating architectural specifications. The overall composition suggests a catalog or technical manual for wood mouldings.
